FIRST DATA CORPORATION NOTES TO FINANCIAL SCHEDULES (Unaudited)

Effective January 1, 2006, the Company began assessing performance and allocating resources based on a new segment structure. Segment results for 2005 and 2004 have been adjusted to reflect the new structure. In addition, consolidated revenues for 2005 and 2004 have been adjusted to present "Transaction and processing service fees" by revenue type and to reflect the reclassification of debit network fees from "Transaction and processing service fees" to "Reimbursable debit network fees, postage and other."

- (a) Discontinued operations relate to NYCE.
- (b) Reconciles the total segment and All Other and Corporate revenue to consolidated revenue or total segment and All Other and Corporate operating profit to income before income taxes, minority interest, equity earnings in affiliates and discontinued operations as reported on the Consolidated Statements of Income.
- (c) Excludes equity losses that were recorded in expense and the amortization related to the excess of the investment balance over the Company's proportionate share of the investee's net book value.
- (d) Represents elimination of adjustment to record Integrated Payment Systems segment investment income and its related operating profit on a pretax equivalent basis and elimination of intersegment revenue
- (e) Segment and All Other and Corporate operating profit includes interest income, minority interest from segment operations, equity earnings in affiliates and the allocation of corporate overhead. Segment and All Other and Corporate operating profit excludes items discussed in note (g) below and interest expense.
- (f) Minority interest from segment operations excludes minority interest attributable to items excluded from segment operations discussed in note (g) below as well as minority interest related to interest expense and income taxes.

0.8

(g) Items, other than interest expense, excluded from segment operations consist of the following:

(in millions) Three months ended March 31, 2006

FIRST DATA CORPORATION RECONCILIATION OF NON-GAAP MEASURES (Unaudited) (in millions)

Management believes the following measures provide meaningful information to assist investors and analysts in understanding our financial results and to better analyze trends in our underlying business. The non-GAAP financial measures should not be considered in isolation or as a substitute for the most comparable GAAP financial measures. The non-GAAP financial measures reflect an additional way of viewing aspects of our operations that, when viewed with our GAAP results and the reconciliation to the corresponding GAAP financial measures, provide a more complete understanding of our business. Investors are strongly encouraged to review our financial statements and publicly-filed reports in their entirety and not to rely on any single financial measure. A reconciliation of the non-GAAP measures to the most directly comparable GAAP financial measures is included below.
